

## “Reiri” Erbaluce di Caluso DOCG 2023

Typical white wine of Piedmont region, “Reiri” is the word in dialect that we use to choose best grapes, removing the ones that are less perfect and a part of leaves, to allow air to circulate for sanity and more exposure to the sun.

Before fermentation, must is left in contact with the skins, kept at low temperature for 48 hours to obtain typical colour and stronger bouquet.

**Colour:** yellow with brilliant green shades.

**Smell:** intense, elegant, fruity and exotic.

**Taste:** fresh, dry, fruity.

**Alcohol:** 12,5 % vol.

**Serving temperature:** 8-10°.

Best with starters, fish and shellfish and also as aperitif.
