

50 ANNI

BARBERA D'ASTI DOCG

Description

First conceived and made in the 2009 vintage, "50 Years" represents the wine of the first half-century of our winery. It is a Barbera d'Asti with great structure, elegant acidity, primary aromas of red fruits and remarkable aging potential. The best interpreters of this project are the members, as well as winemakers, who have always believed in the territory and their Cooperative Winery.

Denomination

DOCG (Denomination of Origin Controlled and Guaranteed)

Grape variety

Barbera
